A GUIDE TO THE STATISTICS:

The player statistics in this album refer to league appearances only and therefore do not include appearances in cup or other competitions. All player and team statistics are correct up until 13/08/2016. Player positions are based on regular Premier League selections and may differ from game to game based on manager discretion.

EDITOR'S NOTE

The final date for compiling this album was August 13th 2016. All reasonable efforts were made to ensure that the data was accurate at that time. Player transfers were of course beyond our control. The statistics contained in this album are © Topps Europe Limited and may not be reproduced in whole or in part without written permission. All rights reserved.

It's a great honour to welcome you to Merlin's Official Premier League 2017 Sticker Collection from Topps. The league is celebrating its 25th season and the new sticker collection is a wonderful record of all the action which I'm very proud to be part of.

For me, the Premier League is the best league for a player. Every week there are massive fixtures featuring some of the world's most famous clubs such as my club, Tottenham Hotspur, and the likes of Liverpool FC and Manchester United. It is also home to some of the biggest names in the world game like Sergio Aguero and Eden Hazard. Every footballer wants to test themselves at the highest level and the Premier League is the place to do it because it's so packed with quality.

What makes the league even more special are the fans. I am lucky to play in-front of thousands of passionate supporters in full stadiums each week and our matches are shown all around the world. With every game being so competitive there is no shortage of exciting football just as last season proved when Leicester City won the title. It was very disappointing for me personally having got so close with Spurs, but it was a fantastic achievement for Leicester which has given hope to every team throughout the country and at all levels.

This year my teammates and I will be trying even harder to win the trophy for Spurs but we know it won't be easy. Every season it gets harder and this year is no exception with new arrivals on every front. Burnley, Middlesbrough and Hull City join the competition, Pep Guardiola joins the manager's ranks and there is world-record signing Paul Pogba to face. Everyone, myself included, is hoping to emulate Leicester's incredible success last season. I wish all the players and fans good luck for the season ahead and hope that you enjoy collecting all the stickers of the Premier League stars, including my very own.

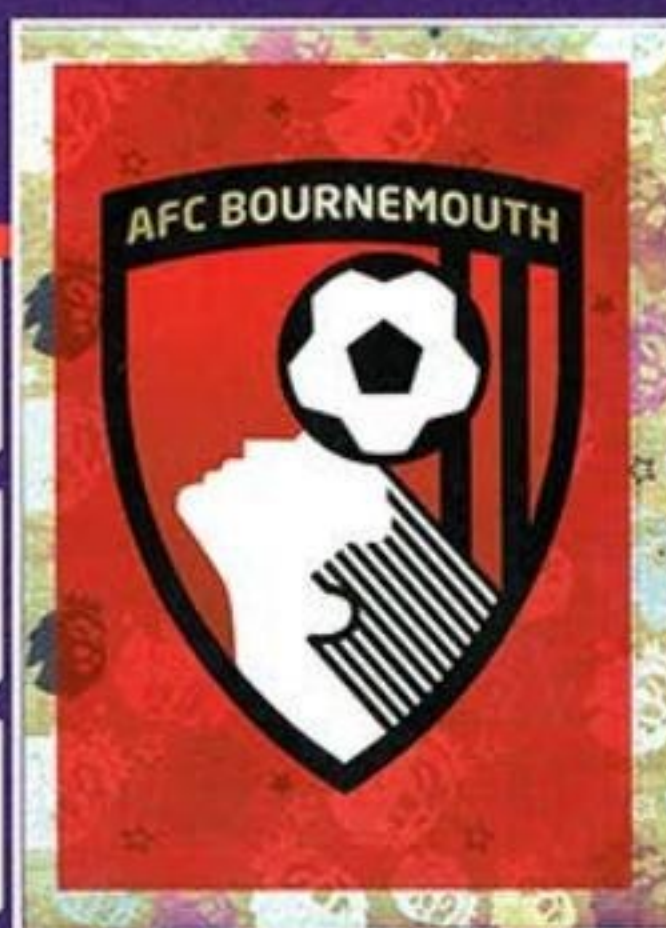

A stylized black ink signature of Harry Kane.
